Zero

Part 1: Sports!

There are plenty of famous NBA players who have worn the number 0 or 00. Name the ones pictured.

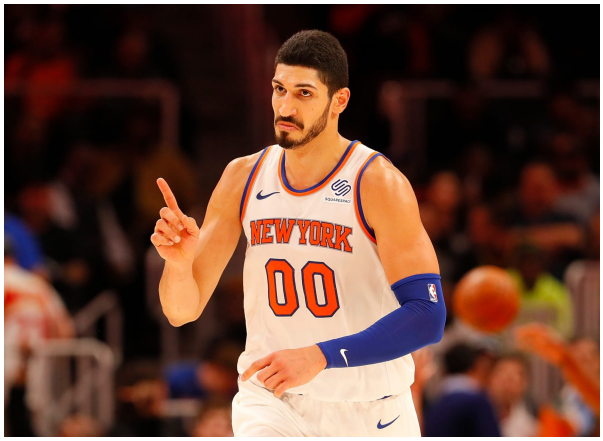
6.



7.

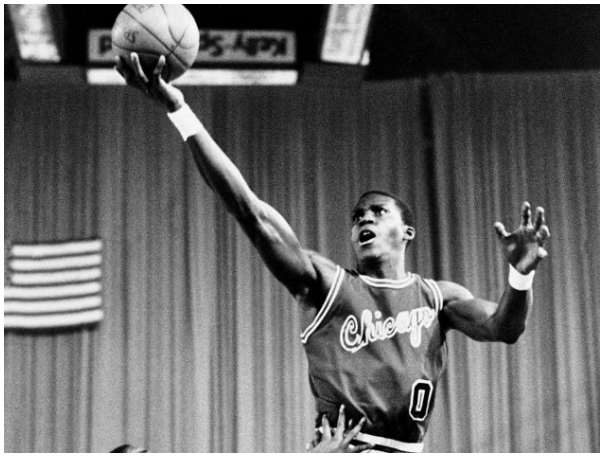
8.

9.

10.

11.

12.



Of course, the NBA isn't the only league with notable 0s! They're just a bit rarer elsewhere. Answer these questions about players with that jersey number in other sports.

13. After playing for the Pirates for a decade, what player became the first in the MLB to have the jersey number 0 when he joined the Rangers in 1978?
14. In 2019, what relief pitcher, formerly of the Rockies, was the first Yankee to wear 0?
15. What center for the Raiders was one of only two NFL players to wear 00 after the number was banned in 1973? The number was a play on the pronunciation of his last name.
16. In 1963, what journalist donned the number 0 to investigate what life was like in an NFL training camp?
17. And what was the title of the book he wrote about the experience, alluding to the team he tried out for?
18. The numbers 0 and 00 are currently banned in the NHL because they messed with the computer system. A whopping five players have had those numbers in the league's history, and none are particularly noteworthy. You'll get two points for each you can name.
19. If you thought five was low, across the English Premier League and the Scottish Premier League, one player has worn the number 0. Ten points if you can name him!

Part 2: Characters

Zero is a somewhat common name for fictional characters. Name the source material of these Zeros. (If they came from an entry in a franchise, just naming the franchise is fine.)
