Several Actors, Same Role

Each set of actors below shared a role in the movies or on TV (or both). You need to name the role. For instance, if we said

Sean Connery, Roger Moore, Timothy Dalton, Pierce Brosnan

you would answer "James Bond".

Note: The roles played by a set of actors may not have exactly the same name. But they are in some sense the same. There may also be other people who played the same role that aren't listed, as in the example above.
