The National Parks Bonus!

Hour Bonus – The National Park Service

In the United States, we are blessed with several natural and man-made wonders that we take for granted. For the next hour, take a brief tour of places to go and see in your lifetime. The National Park Service is part of the Department of Interior, and they have the following classifications of places: National Park, National Monument, National Preserve, National Historical Site, National Historical Park, National Memorial, National Battlefield, National Cemetery, National Recreation Area, National Seashore, National Lakeshore, National River, National Parkway and National Trail just to name a few.

Good luck with exploring our country.

1. What shape is the logo for the National Park Service? What items are on the logo?

2. How many areas are in the National Park Service (note this does include areas in U.S. Territories)?

3. When did the National Park Service come into existence?

4. Founded in 1872 by Ulysses S. Grant, which park is considered the first National Park in the United States?

5. What is the name of the Annual Pass for admission into our parks?

6. The largest area in the National Park Service, Wrangell-St. Elias National Park and Preserve, has how many square acres?

7. The smallest area in the National Park Service, Theodore Pulanski National Memorial, has how many square acres?

8. The John D. Rockefeller Jr. Memorial Parkway connects which two properties in the National Park Service?

9. How many National Historical Landmarks are located in the United States?

10. Arlington National Cemetery was the home of what famous general?

Where am I – This rest of this bonus gives you pictures of places in the National Park System. Identify the name of the place by the picture. Note: The person who wrote this bonus has been to 60% of the areas in the National Park System and everything pictured below has been personally verified by this author.
