WILLIAMS TRIVIA

HIGH SCHOOL YEARBOOK

PROM KING

VOTED MOST LIKELY TO SUCCEED

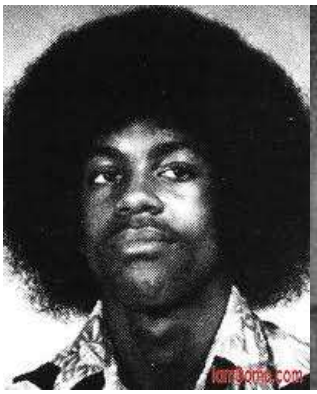

PROM QUEEN

VOTED MISS CONGENIALITY

Ah, school days. I think we all have some yearbook photos we'd rather forget (or maybe burn)… and celebrities are no different. Here are some school photos of prominent individuals … please tell us their names (in some cases, the people pictured are better known by a stage name – we're looking for that pseudonym. You can show us what a smarty-pants you are and give us their real name too, but we're only giving credit for the name they are best known by). Good luck! Incidentally, the Prom King and Queen on the cover are #1 and #2. Think of what the autographs in THIS yearbook would be worth!
